

RISERVA COLLECTION
NIGHT OWL BARBERA

Livermore Valley
2019

Blend: 100% Barbera

Tasting Notes:

Flavors and Aromas: Robust, savory, and sumptuous, this vintage swirls with aromas of cassis and blackberry jam. Finely tuned notes of cocoa, leather, and ripe black cherry dance across the palate in perfect harmony, fading slowly into a luscious finish of dried fruit and toasty vanilla.

Body and Structure: Layered tannins provide a juicy, dense, rounded mouthfeel, accented by characteristic Barbera acidity.

Pairings: Richer, high-acid or fatty dishes like roasted duck, tomato based dishes like spaghetti with Italian sausage, osso buco, pizza, and hamburgers.

Details:

Sustainability is a critical factor in our goal of producing consistent and high quality grapes from our estate vineyard. That is why we are proud to call our Estate home to the many owls who patrol our vineyard at night. These majestic creatures not only act as a natural form of pest control, but also provide a wonderful ambiance to our vineyards at night. This wine honors their contributions to our Estate! This vintage was aged for approximately 28 months in carefully selected oak.

Alc. by Vol. 15.5%
