Flavors and Aromas: Melon, cantaloupe, grapefruit and lime blossom.

Details:

Trebbiano is a rare wine to find in our part of the world. We are one of the few producers in California of this delicate and refreshing white wine. We grafted Trebbiano to our Estate Vineyards in 2012.

Handpicked in the cool of morning, then carefully whole-cluster pressed to our stainless steel tanks, our Trebbiano then goes through a long and gentle cold fermentation that maximizes its delicate aromas and flavors.
